**DAVID C. BROWN – Incumbent**

Mr. Brown has served on the Arroyo Roble Board of Directors since 2012 and is currently the President. As in the past, the resort is performing under budget while maintaining the highest standards. The Arroyo Roble Resort continues to receive the highest rating from RCI – Gold Crown. An Arroyo Roble owner since 1987, Mr. Brown and his wife Molly own three intervals. They also own timeshares in California, Hawaii and Mexico. Mr. Brown worked for APS (Arizona Public Service Co. – the major electric utility in Arizona) for over 35 years in a variety of engineering, computer and technology leadership positions before retiring at the end of 2002. His professional career prepared him to be President of his HOA for 5 years and is currently President of the APS Retirees' Association as he has been since 2007. If reelected to the Board, he would continue to work diligently to ensure that your resort maintains the highest standards and highest RCI rating while operating at the lowest possible cost to each homeowner.

**SHARON TRISCHAN – Homeowner**

My name is Sharon Trischan and I would be delighted to represent you as a board member for the Arroyo Roble Resort. We travel often and brag about our ownership. My background is in Business and Education, retiring as the Director of English Language Acquisition in a Phoenix school district. In both careers I was responsible for other people's funds. It is my intention to continue the path of fiscal responsibility that I have seen demonstrated by the current and passed leadership at the resort. I appreciate that the resort is solely owned and operated by its owners with a philosophy of no or limited debt. I hope to bring different eyes and perspective based on my own world travels always keeping in mind the current charm and high quality that currently exists.
