Sharon Trischan – Vice President

I am delighted to be running for reelection to the Arroyo Roble Resort Board of Directors. My background is in business, owning a real estate company and in education, achieving a double master's degree in the field of education. I have retired from both. In both careers I had a fiduciary responsibility to the funds of others whether to individuals or to the State of Arizona and the local board of education. When I retired, I was the Director of English Language Acquisition for that district. I currently work part time as a travel consultant.

As I complete my first term as a board member, I do take some pride in several of my suggestions that have been implemented to the Arroyo Roble Resort. The first is the addition of the chair lifts providing access to the second floor single level units, making more units available to owners with stair climbing issues. The second suggestion is the offering of the discounted unit prices for member purchases to help reduce inventory that the resort owns.

My husband and I own multiple units at Arroyo Roble and my interest in continuing to serve on the board is the same as it was when I first became a member. It is to maintain the current path of fiscal responsibility and the integrity of the property and its owners. My husband and I are world travelers and we own other time-shares that we trade around, but Arroyo Roble Resort is the one we don't trade and it is the one we brag about.

Sharon

CANDICE E. MANN – Board of Directors

I have been serving on the BOD since January of this year after being asked to fill the position of Mr. John Biggers, who passed in Dec. of 2019.

I chose to run in 2019 and now, because the time is right for me to give back to the Arroyo Roble. I think the Arroyo Roble has been a top notch Time Share with great long standing competent personnel and beautifully kept units and grounds. I have been a proud multi week Owner at Arroyo Roble for 30+ years and I have resided in the same home in Scottsdale, for the past 35 years.

I am retired. I have worked as an Accountant, Certified Financial Planner, and most recently (2005 to 2013) as a Certified Fraud Examiner for the Arizona Department of Gaming. As a Certified Fraud Examiner, I was responsible for reviewing the financial statements of companies and their executives to determine suitability. I also worked as a volunteer (2014-18) on the Finance Committee for the Regency House Condo HOA. As a member of the Finance Committee, I reviewed monthly transactions, helped prepare the annual budget and made

recommendations to the Board regarding the adequacy of the reserves on hand and proposed up-coming capital expenditures.

Presently, I spend my free time running my not for profit charity called Clothing4Children. We accept children's clothing donations. We clean, store and package the clothes to respectfully present to children in times of crisis. The goal is for the donors to be proud to give and the children to feel joy to receive. A win win.

I'm asking for your vote so I can continue participating as a director. My goal is to assist the administration in the running of the time share while always keeping the best interests of the Arroyo Roble Time Share Owners in mind. A win win. Thank you.
